

## Introductory Workshops to Learning Outside the Classroom

Hornbeam Learning Lodge

Pimp Hall Nature Reserve

Kings Road, E4 7HR

10.30-1.30pm

Are you a parent-carer or childminder?  
Do you often wonder how to help children learn without strain and stress?  
Then these workshops will be of great help to you.

All children are curious and excited about the world around them.

Our challenge is to understand them well enough to know how best to engage their natural drive to learn.

Not all children learn in the same way. They have different learning preferences and styles.

These workshops give insight into such differences and suggest ways of responding to them.

### When do they take place?

19<sup>th</sup> September  
**Learning Styles**

24<sup>th</sup> October  
**Museums and Galleries**

21<sup>st</sup> November  
**Learning Outdoors**

19<sup>th</sup> December  
**The Importance of Play**

Tell me and I forget,  
teach me and I may remember,  
involve me and I learn.

Benjamin Franklin

### What will you gain?

- A greater awareness of how children learn
- Reduced anxiety
- Strategies for making learning outside the classroom and during homework pleasurable

**Cost: £25.00 per session;  
£80.00 for four sessions**

There will be refreshments and some useful materials and resources to take away
