

# THE START-UP HUB AT THE LEARNING LODGE

Need a little support to get your start-up community project or social enterprise running?

**Every Wednesday from 2pm onwards**

A day a week the Learning Lodge will be transformed into a thriving hub for start up social enterprises and community projects.

You and others will determine how best to use the space and each other's time and experience to get the most out of the hub days.

We are offering a space and a community of people who are on a similar path to you. The Hornbeam collective can sign-post you to people, resources, events and small funding pots and offer advice and guidance to further develop your idea.

If you are interested in the Start-Up Hub at the Learning Lodge please contact [amy@hornbeam.org.uk](mailto:amy@hornbeam.org.uk) or come along Wednesday from 2pm onwards at the Learning Lodge off 48 Kings Rd E4 7HR in Pimp Hall Nature Reserve.
