

Be a Green Entrepreneur!

Are you 16 - 25?

Learn new skills

Get business training

Receive support for your start up

TestTown ²⁰¹⁵

Be your own boss

You and your community can benefit and make money

TestTown²⁰¹⁵

Are you **16-25** and **living in Waltham Forest?**
We have the opportunity for you to
develop your own social or waste enterprise
that will make you money
and benefit your local community.

You will:

- Receive specialist business and enterprise training and develop your idea in a single day in September
- Launch your enterprise in a pop-up shop/market stall or online
- Come to our dragons den style event in December where one team will gain a place at the Test Town grand final and be in with a chance to win **£10,000** to develop their business

Places are limited to 25 people so register your interest today!

Groups and individuals will be considered

@LSx_news

TestTown is the UK and Ireland's biggest accelerator programme for young entrepreneurs with fresh ideas for rejuvenating the country's town centres. In the last two years, TestTown has helped inject £200k into start-ups, supported 150 entrepreneurs and helped get 45 new local businesses off the ground.
