

Kids♥Kitchen

Cook delicious food together

Make volcanoes, make ice cream, get ideas for cooking with kids and pick up some surplus food at our sessions this summer!

We have food from Hornbeam's Food for London project, blackberries from our parks and plenty of other ingredients and ideas! Come to a session, have some fun – and maybe find out more about opportunities to get more involved.

For more information on sessions and to let us know you're coming:
